FIGHT FOR \$15 Minimum Wage

It is time to increase the minimum wage and address income inequality in BC.

At \$10.25/hr BC's minimum wage is one of the lowest in Canada. As the cost of living continues to go up, workers earning minimum wage cannot make ends meet.

BC's minimum wage leaves full-time workers living below the poverty line.

The BC Federation of Labour believes that work should lift you out of poverty. It's time for the BC government to increase the minimum wage so that nobody is left behind.

Help us fight for \$15/hr. It's only fair!
